PROFILE

I am in the process of completing my B.tech in Cyber Forensics and Information Security, honing my expertise in digital forensics and ethical hacking. I possess a strong analytical mindset, creativity, and attention to detail, and i enjoy working in team-driven settings. I am continuously expanding my knowledge and enhancing my skills in this dynamic field to contribute effectively to the world of cybersecurity.

WORK EXPERIENCE

Internship in L&T Technology Services (LTTS) — 2025

(LTTS) – SOC Team Intern - Jan 9 to Feb 7 2025

- Gained hands-on experience in Security Operations Center (SOC) processes and cybersecurity monitoring.
- Assisted in analyzing security alerts and implementing preventive measures.
- Learned and used SIEM tools for monitoring and investigation.

Digital Forensic Investigator — 2023

Experience in Handling Online Loan Fraud Case

- Handled a case of online loan fraud, providing full support to the victim throughout the process

Magical Pixel - Founder — 2025

Founder & Graphic Designer | (Date: Jan 17 2025- Present)

- Founded and managed a creative design startup, specializing in logo design, posters, branding, and photo retouching.
- Handled client projects, offering customized digital solutions that align with branding goals.
- Developed and executed marketing strategies for brand visibility on Instagram (@magicalpixel.in) and LinkedIn.

Spread Club - Founder & Chairman — 2023 - 2026

In Dr.MGR Educational and Research Institute

- Founded and managed a successful student club focused on developing skills in ethical hacking and graphic design.
- Demonstrated strong leadership, team-building, and mentoring abilities by guiding a diverse group of members.
- Facilitated the development of numerous ethical hackers and graphic designers through hands-on workshops and one-on-one mentoring.

Graphics Designer — 2016 - 2023

Experience in Adobe Photoshop, Premiere Pro, and After Effects through freelancing

- Skilled in teaching Adobe Photoshop, Premiere Pro, After Effects, and other design tools. Experienced in mentoring and developing the skills of aspiring graphic designers, with a track record of successfully guiding many designers in their career growth.

The Science Club - Founder & Chairman — 2015 - 2018

In Queen Mira International School

- Founded and managed a successful club during my schooling, demonstrating strong teamwork, community building, and communication skills. The club continues to thrive.
